

Directions from Midland Highway

(also known as Pall Mall or High Street or McCrae Street)

At the corner of Midland Hwy and Mitchell Street (the Fountain) turn left if travelling from the North or turn right if travelling from the South.

Continue along Mitchell Street until you reach Mollison Street round about and turn left into Mollison Street.

We suggest parking outside Saddle World in Mollison Street.

Between the Origin Energy shop and Saddle World is the entrance to Bush's Lane. Saddle World is in a two storey red brick building, behind is our (almost identical but a little smaller) building.

Our door is the second door from the start of the lane. Please come in and up the stairs.
